

Filmbankmedia Blanket Licence Tariffs: Purpose-Built Student Accommodation

This tariff applies to the background or ambient screening of audio-visual content licensed from our rightsholders. It covers content accessed via broadcast television, home entertainment formats (such as DVD or Blu-ray), or viewed from the internet in the communal areas (such as lounges, gyms, lobbies and staff rooms) of student accommodation properties.

“Background” refers to the use of audio-visual content to create an atmosphere or ambient setting, where the viewing is incidental and not integral to the core activities or primary purpose of the venue, event, or organisation.
